Activities Legend :

PP Processing Plant

Remarks Legend :

37 Excluding intestines, from the duodenum to the rectum, of bovine animals of all ages and ileum of sheep and goats, or products derived thereof, as provided for in Reg. (EC)N°999/2001, as amended. Also excluded are intestines derived from animals on which the nervous tissue has been lacerated by means of an elongated rod-shaped instrument introduced into the cranial cavity after stunning or by gas injection. This exclusion does not apply to such products derived from animals born, continuously reared and slaughtered in one of the group of countries recognised by OIE in the relevant OIE resolution in force, as having a negligible BSE risk in accordance with Chapter 11.6 of the Terrestrial Code.
